# MUSIC AS A TOOL

*Part 2*

**INTEGRART**  
MIGRANT COMMUNITY IN ARTS

DIGITAL TUTORIAL

Because music is an universal language, participation in music and art-based activities can help overcome the barriers of daily life such as language, education, behavioral differences.

It can also help foster an intercultural dialogue and understanding of each other's cultures. It can also contribute to language acquisition, a key determinant of integration.

Moreover, music can help explain that multiculturalism is not a threat and promote the beauty and richness of diversity.
