KEEP IT FLEXIBLE

INTEGRART
MIGRANT COMMUNITY IN ARTS

DIGITAL TUTORIAL

Keep in mind that while you should outline the structure of your workshop, there should be room for the event to flow with the vibe of the group, too. That means giving participants room to speak, improving some of your dialogue, and having an extra segment or two in your back pocket just in case. It should be the participants' workshop, meaning every single participant who has agreed to give their time to the workshop deserves full attention and has a right to shape the discussions.

Once you prepared the agenda, start making all the necessary arrangements to bring your vision to life! And remember to gather all the tools and equipment - everything from pencils to a projector to music instruments etc.
